

Kingston, ON: CMV Safety Consulting Inc, Jones DesLauriers Insurance Management Inc. and HOS Auditing Inc. are pleased to announce Brian Botham, CDS has won the Transportation Health and Safety Association Council of Driver Trainers Safety Professional of the Year Award.

The Annual Conference for the THSAO Council of Driver Trainers was held Oct 31 – Nov 2 2008 in Kingston. It brings together Driver trainers and Safety Professionals from across the province of Ontario for a weekend of education and networking.

At the Saturday night Gala Brian Botham, a Certified Director of Safety, was honoured with the Council's prestigious award "Safety Professional of the Year". This award is given to Safety professionals by their peers to individuals who have demonstrated outstanding service to the Chapter, the Transportation Industry as a whole and/or their community in the promotion of transportation safety. Botham has spent his entire career in the Transportation Industry; as a driver, driver trainer, safety manager and a safety consultant for the last 25 years.

Glenn Murray Partner of Jones DesLauriers Insurance Management Inc. stated "We are extremely proud of Brian; this award exemplifies his commitment to the Transportation Industry. Brian has been a great asset to JDIMI and our clients"

Steve Mulligan, VP of HOS Auditing Inc. said "We are very proud of Brian's accomplishments and this recognition by his peers only proves his commitment to safety and the industry. We are grateful to be partnered with Brian to bring our clients a whole wealth of skills and experience".
